2017 Campaign

To Whom It May Concern:

We are a not for profit group who have a mandate to provide backpacks for needy school age children in our area. Our mission is "to support children in need with the essentials for returning to school which will increase self esteem, create a positive attitude and show them the community cares."

This is our twelfth year and the organization has a goal to sponsor over 250 children for September 2017 school year. The children are identified by your local schools and the information specific to each child is provided to our organization for shopping purposes. The attached information sheet provides an overview of our organization.

We are asking for your help to meet this goal of supporting 250 children in need. The attached information form outlines the details of what is included in each backpack that each sponsored child receives. Each backpack costs approximately \$150.

There are three options available to you if you are able to help us with our program.

Option A: Donation of any dollar value

Option B: Donation of the cost of one filled backpack (\$150)

Option C: Sponsor a child: your organization would be responsible for making the purchases to fill the backpack and then delivering it to our organization by July 25, 2017

We have many needy families living in the North Bay area and we can make a difference. Any donation you are able to provide us will be greatly appreciated.

If you are able to support this worthy cause, please make cheques payable to Packsac Smiles Organization.

Thank you.

Yours truly,

Packsac Smiles Organization
