Our Sixth Year

168 Children

....were supported in our 2010 campaign!

This year was one of our more challenging years with a goal of 150 children to support . The need this year was 168 and we were thrilled that we could support additional children.

The support of local businesses and individual donors has been fantastic. We are grateful for such a giving community.

Each packsac contains the following:

*1 lunch bag
1 book
1 pair pants
2 tops
socks/underwear
1 pair running shoes
School supplies
School snacks*

168 kids and only 13 things needed to be exchanged—fabulous job by our fantastic shoppers

Packsac Smiles is a local Registered Charity.

Each year we utilize over 100 volunteers to fulfill our program mandate. Volunteers are key to our success. We have been very fortunate to build a wonderful base of volunteers that care about our organization and the children. We value and appreciate all of the hard work that our volunteers contribute each time they help us.

A back to school program supporting children in your community.
