

Packsac Smiles Organization

Our 2020 Campaign Year

Last year Packsac Smiles supported 260 children. As we enter our 16th season of supporting children in our local community we are faced, like many charities, with the challenge of navigating through these difficult times.

Due to the pandemic, our organization is preparing for the possibility that even more families will need our assistance. Our goal is to provide that assistance. We are working towards a plan of how we will be helping the children in our community, while protecting the safety of our board, our volunteers and recipient families. This will depend heavily on how the situation unfolds this summer.

We are looking for continued **support this year** so that we can meet that goal. We budget for a cost of \$150.00 per backpack. You can send your donation by:

- Mailing a cheque to the address below
- E-transfer using the donation email below-create a simple password and enter contact info in comment section for donation receipts

We have families that could use our help living in the North Bay and surrounding area. Any donation you can provide us will be greatly appreciated.

Our Volunteer Coordinator will be reaching out to our past volunteers once we establish how our program will be carried out this year.

If you have any questions, please contact the undersigned. All cheques are to be made payable to **Packsac Smiles Organization**.

Together we can make a difference.

Yours truly,

Packsac Smiles Organization
