

Packsac Smiles Organization

2020 Campaign

To Whom It May Concern:

We are a not for profit organization/registered charity who have a mandate to provide backpacks for school age children in our area. Our mission is *“to support children in need with the essentials for returning to school which will increase self-esteem, create a positive attitude and show them the community cares”*.

Last year we supported 260 children. As we enter our 16th season of supporting children in our local community we are faced, like many charities, with the challenge of navigating through these difficult times.

This year, our organization is preparing for the possibility that even more families will need our assistance. Our goal is to provide that assistance. We are working towards a plan of how we will be able to do this, while protecting the safety of our board, our volunteers and recipient families.

We are **asking for your help** to meet our goal.

We budget for a cost of \$150.00 per backpack. You can send your donation by:

- Mailing a cheque to the address below
- E-transfer using the donation email below – create easy password and put contact information in the comment section for donation receipts.

We have many families who can benefit from our help in the North Bay and surrounding area. Any donation you are able to provide us will be greatly appreciated.

If you have any questions, please contact the undersigned.

We accept e-transfers at donations@packsacsmiles.com or cheques are to be made payable to **Packsac Smiles Organization**.

These are difficult times. Together we can make a difference.

Yours truly,

Packsac Smiles Organization
