

Packsac Smiles Organization

2022 Campaign

To Whom It May Concern:

We are a not-for-profit organization/registered charity who have a mandate to provide backpacks for school age children in our area. Our mission is "to support children in need with the essentials for returning to school which will increase self esteem, create a positive attitude and show them the community cares".

We are going into our 18th year of supporting children in our community. Your local schools identify all of the children. Each backpack is customized for the individual child.

We are **asking for your help** to meet our goal of supporting 250 children. The attached brochure outlines the details of what is included in each backpack.

These are the options available to you if you are able to help us with our program.

- **Option A:** *Donation of any dollar value*
- **Option B:** *Donation of the cost of one filled backpack (\$150)*

We have many families who can benefit from your help in the North Bay and surrounding area. Any donation you are able to provide us will be greatly appreciated.

- We accept e-transfers at donations@packsacsmiles.com, cheques are to be made payable to **Packsac Smiles Organization** mailed to the address below and donations through Canada Helps - www.canadahelps.org/en/charities/packsac-smiles-organization/

If you have any questions, please contact the undersigned.

These are difficult times. Together we can make a difference.

Yours truly,
